# AVOID DELAYS IN PROCESSING BY ANSWERING ALL THE QUESTIONS BELOW!

| CHECK ONE | YES | NO |
|---|---|---|
| 1. Are there any **non-removable** handrails, grabrails, or ladders?... | ☐ | ☐ |
| a. "A-B" dimensions are required to front center of all rails, blocks, cups, and to the points where rails dip below coping. | | |
| b. Distance rails extend into pool_____ | | |
| Distance rails are set back from pool _____ | | |
| Type of grabrail: ☐ Rail ☐ Concrete block/Anthony type | | |
| 2. Are there any raised rail sockets?..... | ☐ | ☐ |
| a. "A-B" measure front center of socket. | | |
| b. Height of sockets_____ | | |
| 3. Are there any grab rocks?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTO!** "A-B" front center of each grab rock, and provide width of each. | | |
| b. Width of each grab rock._____ | | |
| Distance grab rocks are set back from pool_____ | | |
| 4. Is there a **non-removable** fillspout?..... | ☐ | ☐ |
| a. "A-B" dimensions needed for start and end of pipe. | | |
| b. Fillspout is: ☐ Level with deck ☐ Raised | | |
| If raised, how high?_____ | | |
| Distance set back from pool_____ | | |
| c. Is end of spout below coping?..... | ☐ | ☐ |
| Distance into pool_____ | | |
| Distance below coping level_____ | | |
| 5. Is there a dive stand?..... | ☐ | ☐ |
| Distance set back from pool_____ | | |
| "A-B" Measure base if closer than 2' from pooline. | | |
| a. Is diving board removable?..... | ☐ | ☐ |
| b. Is LOOP-LOC Dive Stand Kit required?..... | ☐ | ☐ |
| 6. Is there a dive rock?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTO!** "A-B" the sides and front of rock, as well as the pool wall, using 1' intervals. PT. #'s_____ | | |
| b. Distance rock overhangs pool edge_____ | | |
| Distance rock extends below deck level_____ | | |
| 7. Are there slide legs within 2' of pool?..... | ☐ | ☐ |
| a. If yes, give "A-B" dimensions to each leg, and give the distance each is set back from pool edge. | | |
| 8. Is there a spa? If yes, **PLEASE SEND PHOTO!**..... | ☐ | ☐ |
| a. Is spa to be included in this estimate/order?..... | ☐ | ☐ |
| Is separate cover required for spa?..... | ☐ | ☐ |
| One cover for pool and spa?..... | ☐ | ☐ |
| b. Is spa raised above pool?..... | ☐ | ☐ |
| If yes, how high?_____ | | |
| c. Is spa dividing wall flush with top of coping?..... "A-B" DIMENSIONS REQUIRED ALONG SPA WALL ON BOTH SPA & POOL SIDE OF WALL. | ☐ | ☐ |
| d. Does spa wall have an open spillway?..... | ☐ | ☐ |
| If yes, "A-B" dimensions are required to locate spillway. | | |
| e. If solid w/drains, is drain panel wanted in spa area?..... | ☐ | ☐ |
| f. Are there any other specific spa cover design instructions?..... | ☐ | ☐ |
| Please specify!_____ | | |

| CHECK ONE | YES | NO |
|---|---|---|
| 9. Is there a planter or grass area?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTO**, and give "A-B" dimensions. PT #'s_____/_____/_____ | | |
| b. Installation method in planters: ☐ Anchor-in-pipe | | |
| Do you want Loop-Loc Pipes?..... | ☐ | ☐ |
| ☐ Loop-Loc Stakes* | | |
| * (Number of stakes must not exceed 10% of total installation for safety and warranty qualifications.) | | |
| 10. Is there a raised wall, raised bond beam, or raised planter?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTO!** | | |
| b. Is wall strong enough for cover to attach to it with snap hooks and eyebolts?..... | ☐ | ☐ |
| c. "A-B" the beginning and end of the raised areas, as well as points along the wall, at 1' intervals. | | |
| d. Height of wall_____ | | |
| (Please note: all Rectangles with 10' or more of raised wall must be priced as a Special Rectangle.) | | |
| 11. Is there a waterfall or rock formation?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTO!** "A-B" the beginning, the end, and the front and sides of the formation, as well as the pool wall, at 1' intervals. | | |
| b. Is wall strong enough for cover to attach to it with snap hooks and eyebolts?..... | ☐ | ☐ |
| c. Distance rocks overhang pool edge_____ | | |
| 12. Are there varying deck levels?..... | ☐ | ☐ |
| a. If yes, **PLEASE SEND PHOTOS!** Indicate height of each level change, and "A-B" each level, including points on risers to show angle away from pool edge. | | |
| 13. If you answered yes to any questions in 10 - 12 **please select** treatment wanted below: | | |
| ☐ Raised Wall Treatment (No opposing eyebolts for SAFETY cover) ☐ Up & Over Treatment (SAFETY Limits: Max. Step Ht. 9"; Steps Min., 3' Apart; Max. Total Rise 18".) | | |
| (LOOP-LOC will consider design preference secondary to SAFETY performance, unless otherwise instructed by dealer.) | | |
| 14. Is there a wood deck area?..... | ☐ | ☐ |
| a. If yes, show location on sketch. | | |
| b. Are Loop-Loc Wood Deck Anchor Flanges required?..... | ☐ | ☐ |
| 15. **ON-GROUND POOLS: Deck must be self supporting!** | | |
| a. Are there varying deck sizes?(If Yes, submit sketch.)..... | ☐ | ☐ |
| b. If deck is wood indicate: ☐ Loop-Loc Wood Deck Flanges ☐ Loop-Loc On-Ground Brackets | | |
| 16. **COMMERCIAL POOLS:** (ie: over 2,100 sq. ft. - ***MESH only***)... | ☐ | ☐ |
| Pool type: ☐ Skimmer ☐ Gutter | | |
| If gutter pool, **PLEASE SEND PHOTO** and give all gutter dimensions | | |
| 17. Is mesh cover to be manufactured in a **Designer Color?**..... | ☐ | ☐ |
| What color? ☐ Blue ☐ Gray ☐ Black | | |
| 18. Are there any specific design instructions? Please specify! | | |
